PROFILE SUMMARY

An ambitious MBA student focused on a dual specialization in Finance and Marketing, with 3 years of managerial experience within an educational institution. I am currently completing an internship with AIESEC, I am gaining first-hand experience in global youth leadership, project management and sustainability. I have experience in team coordination, academic affairs, budgeting, and communication. I am a proactive, problem solver with strategic thinking, am effectively bridging academic knowledge with real-world experience and insights about finance and marketing. I am excited to add value in fast-paced corporate environments with a results-oriented mindset.
